Dear Parents and Caregivers,

Welcome back to what will no doubt be a busy term: NAPLAN testing, excursions, Reconciliation week and Semester 1 student reports.

Children's Centre Mural

As part of our cultural learning, the Children's Centre welcomed two Aboriginal artists, Tjimari and Iteka, from Kumarnithi. The children in the over 3's had an opportunity to learn about Aboriginal culture through symbols and Aboriginal stories and hands-on experiences using pictures, posters and wooden symbols. They painted with sticks, feathers, and brushes. That led to an opportunity to paint their own canvas, bark or stones as they worked alongside the artists in the preschool room.

Children experimenting with painting using different materials

The mural will be mounted on the fence for the children and our families to enjoy every day. We hope to host a family celebration to officially open the mural and showcase the children's artwork during term 2.

Art and recycling – Ms Margie and 7013

Last Term 7013 used recycled materials and paint

textas to create mini animal portraits.

Miss Margie was inspired by an idea she found on Instagram. Before we began creating our portraits, we had to brainstorm animals and choose one for our project. We then

researched photographic references and saved them on the iPad. We then created our portraits and took photos of our work. Next term we are going to use 'Yellow hat' thinking to reflect about our success.

Quote for the Week:
'With the new day comes new strength and new thoughts'

Kind regards,

Fiona Voigt
